📍 House:18, Road: 05, 12-C, Mirpur, Dhaka 1216

About Myself

A person who is very quick learner and can utilize the learning at work efficiently and passionate about programming. I love to take challenges and my strength are my calmness and confidence. I don't stop until the work is done perfectly. Whatever the task is, how hard that is, I don't leave that at middle. This thing made me hard worker. I am very accomplished to the acquainted work with the adaption in a new environment and interested to teach others the new things, which I have acquired by my knowledge. I want to start up my Career through this esteemed work field.

Work Experiences

The ICT HUB- Software Engineer (Intern)   Sep 2022- Dec 2022

A research & cutting-edge technology-based IT consulting, enterprise solution and software development company. I have worked as a Backend Developer using Python Djnago and got the knowledge about real life project and corporate culture there.

Atandra Foundation – Personality Development Trainer   June 2020- On going

A non-profitable organization which works for disadvantaged children and people. I train the members for developing their personality and communications skills.

Debating Forum of IUBAT-Research & Development Secretory   April 2021- May 2022

DFI works for the skill development of the students of IUBAT. I have worked and did research for the development of this vibrant forum.
